PRESENTMENT

Pursuant to the common-law (common sense) and equity (fairness), as full faith and credit shall be given to the United States pursuant to the constitution, while the appeal that I Jamhal Talib Abdullah Bey, the heir and successor of Felicia's Estate [FELICIAS ESTATE], filed with the UNITED STATES DISTRICT COURT clerk FOR THE DISTRICT OF RHODE ISLAND, dated 2/20/2019 is being reviewed and processed, this estoppel is being sent to: Maggie Pitts-Dilley, an agent of SPECIALIZED LOAN SERVICING LLC to prevent them from proceeding in their attempt to embezzle our estate. See United States Court of Appeals, Fifth Circuit. Melissa C. MINARD v. ITC DELTACOM COMMUNICATIONS, INC. No. 04-30230. *The Supreme Court has recognized that, under federal law, “[e]stoppel is an equitable*

doctrine invoked to avoid injustice in particular cases." In Heckler, the Court quoted and adopted the elements of estoppel set forth in § 894(1) of the Restatement (Second) of Torts... "

To wit, attached to this writ, at the footer, exists the United States Postal Service Certified Mail Receipt number to in fact prove that said agent of said corporation has been properly placed on notice to cease any and all unlawful activity in relation to the Estate with the mailing location and geographical longitudinal and latitudinal coordinates listed in the initial claim filed against the defendants. While an appeal is pending to proceed forward with possible litigation or settlement of case number 1:19-cv-00067-JJM-LDA, filing date: 02/14/2019 in regards to the wrongs committed by said agency and the injury sustained by us. See Paul Durham MORGAN v. Alberto R. GONZALES, No. 05-74378. Decided: July 26, 2007: *When estoppel is available, the court then considers its traditional elements, which include that "(1) the party to be estopped must know the facts; (2) he must intend that his conduct shall be acted on or must so act that the party asserting the estoppel has a right to believe it is so intended; (3) the latter must be ignorant of the true facts; and (4) he must rely on the former's conduct to his injury."* Watkins, 875 F.2d at 709.

Notice to the agent is notice to the principal and said agent, agents and agency are hereby lawfully commanded to stop, estop, cease and desist all proceedings in regards to any alleged foreclosure or any other proceedings allegedly related to my / our estate. *The estoppel argument was held to establish a valid defense in Cox v. Louisiana, 379 U.S. 559, 85 S.Ct. 476, 13 L.Ed.2d 487 . (1965) and Raley v. Ohio, 360 U.S. 423, 79 S.Ct. 1257, 3 L.Ed.2d 1344 . (1959)."* United States v. Bruscantini, 761 F.2d 640, 641 (11th Cir.1985) United States Court of Appeals,Fifth Circuit. UNITED STATES of America, v. Sergio Alberto ORTEGON-UVALDE, a.k.a. Sergio Garcia-Leal, No. 98-50810.

If this estoppel is not honored by the Courts of the United States then it is a direct violation of Articles 20, 24 and 25 of the Treaty of Amity and Commerce between the Moroccan / Moorish national government and Federal Government of the United States of America and is an act of war and hostility against the Moorish people and violation of the Supreme Law of the Land. See Article VI of the Constitution for the

united States of America: *This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.* The treaty between our people was indeed established to help prevent, if any, all hostilities between our two states. If any articles of our treaty is broken, abridged, usurped or violated by any officials, persons, agents, corporations, associations, individuals, citizens or consuls of our respective nations it is ipso facto and ipso jure an act of hostility and war against the respective State, which may result in the most unfavorable event of lawlessness. In any event, it is the cultural, national and religious custom amongst all Moslems, Muslims, Mohammedan, Musselmen or Mehomitan who stands for peace, the very meaning of ISLAM (I SELF LAW AM MASTER) to protect our faith, family, home and law in the manner most appropriate. At this present time, the administrative approach is being taken to respect, uphold and adhere to international peace on the planet. See Qur'an of Mecca Chapter 2 verse 190 – 193: *190: Fight in the cause of Allah [Higher Self, Morals, Jurisprudence and Peace] those who fight you, but do not transgress limits* [use equal and opposite force to match your enemy to stop them from harming you and do not escalate violence] *for Allah loveth not transgressors* [It is in no nations interest to be at war]. *191: ... But fight them not at the sacred Mosque unless they fight you there* [first]... *192: But if they cease Allah is Oft-forgiving, Most merciful* [both parties can be at peace] *193: And fight them on until there is no more tumult or oppression and their prevail Justice and faith in Allah* [Full faith and credit amongst both States that they will honor the Treaty and ensure peace amongst each other]. Also see Article 11 of the Treaty of Amity and Commerce between the Moorish Bey and Dey of the Moorish Kingdoms of Algiers and Tripoli: *As the government of the United States of America is not in any sense founded on the Christian Religion, - as it has in itself no character of enmity against the laws, religion or tranquility of Musselmen, - and as the said States never have entered into any war or act of hostility against any Mehomitan nation, it is declared by the parties that no pretext arising*

from religious opinions shall ever produce an interruption of the harmony existing between the two countries.

This writ, affidavit of fact and presentment is also a plea for peace and demand that the supreme law of the land is honored, adhered to and held to the highest honor amongst our two nation-states. To this date, the defendants have not proven that they either have or had the title to the house or have any original instruments or documents proving they have any fair, equitable, legal or lawful interest in our estate, yet they are attempting to proceed with estate embezzlement guised as a foreclosure.

UNDER PENALTY OF PERJURY

Appellant: I, Jamhal Talib Abdullah Bey, under penalty of perjury and persecution from the Moorish nation, do declare and state for the record, to the best of my ability, that all claims and statements made in this affidavit are true, factually based and not made for, nor intended to be used for fraud, misrepresentation, misprision nor usurpation. A Free Moorish American national and citizen of the free National Government of Morocco, heir and successor of Felicia's estate I am:

. In honor of my Moabite ancestors to time immemorial, exercising the Divine and Common-Law-Right to Jus Postliminii, in accord with the high principles of Love, Truth, Peace, Freedom and Justice.
